During the summer season, I'd like to remind everyone that you may purchase Fishing Licenses and Hunting Licenses and your Cook County Vehicle Stickers in our office. We also have informational publications on various summer activities and Pace Bus schedules in our office. Temporary Handicap Parking Placard can be issued by our office with a completed application from your physician.

We are currently participating in the Summer Enrichment Program hosted by our Youth and Family Service Department, we will be visiting various Schools and Churches introducing and enlightening our young people of the importance of voting and duties of the Clerk's Office. I have truly enjoyed the dialog we share and am looking forward to more opportunities to interact with the young people who reside in our Township. We are also participating in the Assessors Outreach Program, we are looking forward to seeing you at the meetings.

I would like to take this opportunity to thank you for your support by your attendance at our Annual Town Meeting, our Senior Luncheons and various Township events. We are happy to provide time when Seniors Citizens and the residents of Thornton Township can come out and have a good time. We are looking forward to seeing you at the Days in the Park Picnics.

If you have any questions on the services we provide, or if we may be of any service to you, please contact our office at 708 596-6040 ext. 3123 or 3118. Please remember to register to vote! Have a Blessed Summer.
