

Frank M. Zuccarelli
Supervisor

Thornton Township is closely working with our local and state governments to ensure the safety of citizens within the Township during the spread of COVID-19. We are currently working with our building managers to develop plans that will serve the community in the safest way possible. In the coming weeks please continue to watch our website and Facebook page for announcements. Flyers will also be posted throughout our buildings as well.

We recommend also following the Illinois Department of Public Health website for the latest information about COVID-19. <http://dph.illinois.gov/>
